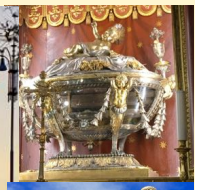
DAY 8: (Thursday, October 29th): Scavi Tour* *(Continued on previous column)*

After lunch, *pending final approval from Vatican authorities, we shall journey below the crypt of St. Peter's Basilica into the amazing excavations known as **The Scavi**** (this is not a tour for the claustrophobic). The Scavi was secretly excavated during World War II (to protect it from the Nazis) with the object of finding the tomb of St. Peter, the first Pope, which tradition always said was below the Basilica. Walk through an incredibly preserved ancient Roman necropolis. As the past comes alive, our tour guide shows the way through secret passageways which lead you to witness the most amazing conclusion underneath St. Peter's main Altar! *"Upon this Rock I will build My Church"*. This exclusive voyage below St. Peter's will forever be a strong memory and confirmation of your Catholic Faith. ****The Scavi** tour is pending confirmation and approval by St. Peter's Excavation office. Leisure evening in Rome follows.

DAY 9: (Friday, October 30th): Roma Cristiana. **B, D** After breakfast, embark on an unforgettable excursion of the treasures of our faith. First, travel south down the '**Via Apia'** (Apian Way) for a powerful journey experiencing how our early brothers and sisters survived and persevered in preserving our Lord's Church. Tour through an amazing complex of underground tunnels with an unending number of crypts, mausoleum tombs and chapels that fill every inch of every passageway that comprise the **Catacombs of St. Callixtus**. One of the highlights of this visit will be the place where the body of St. Cecilia was found. A very realistic statue that marks this place portrays the way her body laid, giving a final and resounding testimony to the Blessed Trinity at the time of her death. **Farewell Mass*** is scheduled at the Catacombs complex. Continue on to the Basilica of **St. Paul Outside the Walls,** one of the 4 Patriarchal Basilicas of the Church. Although mostly rebuilt in the 19th century, this Basilica conserves the shape of the original St. Peter's Basilica. In addition to having portraits of every Pope, St. Paul Outside the Walls is most famous for housing the remains of the great **Apostle of the Gentiles**, **St. Paul.** Then visit '**Santa Croce in Gerusalemme'** (Holy Cross of Jerusalem) where incredible relics can be found (fragments of the Holy Cross, one Nail, part of the inscription INRI, two thorns from the Crown of Thorns, fragments of the pillar of the scourging and of the rock of the Holy Sepulcher). Then walk down a lovely park to the '**Scala Sancta' (Holy Stairs)** where you may climb the same steps Our Lord climbed on the way to see Pontius Pilate. We owe these beautiful relics, including the Holy Stairs, to St. Helena, the mother of Rome's first Christian Emperor, Constantine. Located across the street is **St. John Lateran,** another one of the Church's four major Basilicas and the **Cathedral of Rome** (Pope is the Bishop). Tonight, join your new pilgrim family for a memorable **Farewell Dinner**, reminiscing of all the wonderful times spent together.



DAY 10: (Saturday, October 31st): Return to USA **B, M**

Transfer to Rome's Fiumicino Airport this morning for our flight home! As our airplane takes off, we take one last look at the beautiful land that now holds a special place in our hearts, and say:

Arrivederci Italia! ***Welcome Home!***
